Verse one :

The mor-ning breeze be chaaa-sin
Gray clouds across de skyyyy
The sun tint de ho-ri-zon
De darkness wave bye byeee
Soft water lap de shore-line
De palm leaves speak to meee
De seagulls drift upon zee breeze
Forever fly-ing freeeee

I love me i-sland life
De sun ca-ress-ing meee
De friend-ly folk what lib here
Dey be like me fam-i-lyyyy
I don't trade it for de world
Not fame's most fleet-ing croooown
And when Saint Peter , he call me
You know where, you know where
I be found

It don't be so per-fect
De ty-phoons tell me so
When the storms dey be o-ver
Dey don't get me to go
Some pla-ces might be sa-fer
But dey be not for me
Dis is my home, my fu-ture too
And it will always, and it will always be

De sun ca-ress-ing meee
De friend-ly folk what lib here
Dey be like me fam-i-lyyyy
I don't trade it for de world
Not fame's most fleet-ing croooown
And when Saint Peter , he call me
You know where, you know where
I be found
