

You've got that zing thing – Written by Ryan Dsouza

Verse 1 :

When you were only sixteen you caught my wandering eye
That smile on-your-lips made my heart reach the sk-y
In less than a minute I felt my whole world shift
Your wild ten-der looks I couldn't re-sist
My brain couldn't shake-ya - outta ma head
And your're the kinda gal ,I'll hold-on-to till I'm dead

Chorus :

Hey you've got that zing thing
That secret silky touch gets- me all - cookin'
Your fruit sweet lips feelin' up ma-eyes
Oooh whats that mystery behind -ya. babe

Verse 2:

No more betting rounds with the boys at the bar
I wont get distracted with that 12 string guitar
You can break all the rules kick your feet up , on my dash
All I wanna do is steal a quick flash glance
Sip old fashioned lemo-nade I plan my next move
't was -like I'm racin' at a 100 I had no plans to lose

Chorus :

Hey you've got that zing thing
That secret silky touch gets- me all - cookin'
Your fruit sweet lips feelin' up ma-eyes

Bridge :

30 years gone by , we're still rocking on
Spending summers, road trippin , and our fun's not done
Its the story of my life , it's simple but it's true
The voice above my heads' tellin me , Boy you took the right cue , Oh yeah
,

Chorus :

Hey you've got that zing thing
That secret silky touch gets- me all - cookin'
Your fruit sweet lips feelin' up ma-eyes
Ooh

Chorus :

Hey you've got that zing thing
That secret silky touch gets- me all - cookin'
Your fruit sweet lips feelin' up ma-eyes

Chorus :

Hey you've got that zing thing
That secret silky touch gets- me all - cookin'
Your fruit sweet lips feelin' up ma-eyes
Ooh

Chorus :

Hey you've got that zing thing
That secret silky touch gets- me all - cookin'
Your fruit sweet lips feelin' up ma-eyes
.
